

## ATTACHMENT A) OF 2013/2016 MILLEMIGLIA REGULATIONS

### COMMERCIAL PARTNERS

70 premium companies, operating in various industries, are part of the MilleMiglia Program as Commercial and Partners.

By using the vast range of services and products offered by the Partners, all members of the Program may accrue miles, according to the terms stipulated between Alitalia and each Partner, and that can be consulted on the website [www.alitalia.com](http://www.alitalia.com).

Moreover, through special promotions, MilleMiglia members may also benefit from a more awarding mileage accrual scheme – bonus miles – which are usually added on top to the miles normally granted. The list of the Partners is available on the Internet website [www.alitalia.com](http://www.alitalia.com) and/or in the Guide and/or in the Program Communications. The regulations of the mile awarding operations of the Partners associated with the MilleMiglia Program may be consulted by clicking on the website links of the air carrier Partners given below.

This list is subject to variation following the possible evolution of portfolio agreements. The Company promptly communicates to the member any variations in the aforementioned list. However, such variations do not cause the loss of the miles accrued by using the services provided by any Partner excluded from the list.

The Commercial Partners of the Program are:
