

Home isolation and health surveillance self-certification

I, the undersigned, _____, born on ____/____/_____,
in _____ Province of _____, residing at _____ Province
of _____, Tax Code _____

document identity card driving licence passport number _____,
telephone number _____, email address _____

declare that I am departing on Alitalia flight _____ from FCO to LIN, that I am aware of the
“covid-free” flight trial on the route in question and that I agree to undergo the rapid SARS-COV2
detection test.

In the event of a positive outcome of the rapid SARS-COV2 detection test, whilst awaiting the result of
the molecular test subsequently carried out, I declare that I shall spend the isolation period in
_____ province of _____, at via\pz _____

I, the undersigned, undertake to comply with the following requirements for travelling to the specified
location where I shall be isolating.

ISOLATION RECOMMENDATIONS:

You must travel to the location where you will be isolating using your own vehicle, without stopping, if possible; should you need to stop, you must wear a face mask, keeping a safe distance of a least 1 m from other people. Whilst isolating, you must remain alone in a dedicated room, preferably with a private bathroom; if the latter is not available, you must clean the bathroom using conventional products after each use and ventilate the bathroom for at least 30 minutes before it is subsequently used by others. You must not receive visitors nor leave the premises. If any symptoms appear, you must contact your GP or the Public Health Service of the competent Local Health Authority for the region in which you are located.

If the report relating to the test carried out is not received within 72 hours of the date of performing the swab, you may request it from your Local Health Authority.
